Case
No. 2002-00245

PETITION FOR CONFIDENTIALITY OF AMENDMENT
TO GAS SUPPLY CONTRACT PREVIOUSLY FILED WITH THE
KENTUCKY PUBLIC SERVICE COMMISSION

Atmos Energy Corporation ("Atmos Energy") respectfully petitions the Kentucky Public Service Commission ("Commission"), pursuant to 807 KAR 5:001 Section 7, and all other applicable law for confidential treatment for an amendment to the gas supply agreement previously filed confidentially in this proceeding, which is attached hereto. In support of this Petition, Atmos Energy states as follows:

1. Atmos Energy initiated this proceeding to obtain approval for the new gas supply contract it had entered into with Woodward Marketing, LLC (now Atmos Energy Marketing, LLC) (the "Woodward Agreement"). By petition filed June 28, 2002 Atmos Energy requested the Commission to protect the Woodward Agreement as confidential.
2. By letter dated July 5, 2002, the Commission determined that the Woodward Agreement was entitled to confidential protection and it was ordered to be withheld from public inspection.
3. Atmos Energy and Atmos Energy Marketing, LLC (formerly Woodward Marketing, LLC) recently entered into an amendment to the Woodward Agreement. Since the Commission has granted confidential protection to the underlying agreement, the

attached amendment is likewise entitled to confidential protection for the same reasons and on the same grounds set forth in the Petition for Confidentiality previously filed in this proceeding by Atmos Energy (formerly Western Kentucky Gas Company).

WHEREFORE, Atmos Energy petitions the Commission to treat as confidential the attached Amendment to the Woodward Agreement.

Respectfully submitted this 13th day of August, 2004.
